

Pastor's Corner

In preparation for today's message, allow me to simply share the following reminder it is taken from the 2nd volume of the Testimonies to the Church, page 355:

We believe without a doubt that Christ is soon coming. This is not a fable to us; it is a reality.

We have no doubt, neither have we had a doubt for years, that the doctrines we hold today are present truth, and that we are nearing the judgment. We are preparing to meet Him who, escorted by a retinue of holy angels, is to appear in the clouds of heaven to give the faithful and the just the finishing touch of immortality. When He comes He is not to cleanse us of our sins, to remove from us the defects in our characters, or to cure us of the infirmities of our tempers and dispositions. If wrought for us at all, this work will all be accomplished before that time. When the Lord comes, those who are holy will be holy still. Those who have preserved their bodies and spirits in holiness, in sanctification and honor, will then receive the finishing touch of immortality. But those who are unjust, unsanctified, and filthy will remain so forever. No work will then be done for them to remove their defects and give them holy characters. The Refiner does not then sit to pursue His refining process and remove their sins and their corruption. This is all to be done in these hours of probation. It is now that this work is to be accomplished for us.

We embrace the truth of God with our different faculties, and as we come under the influence of that truth, it will accomplish the work for us which is necessary to give us a moral fitness for the kingdom of glory and for the society of the heavenly angels. We are now in God's workshop. Many of us are rough stones from the quarry. But as we lay hold upon the truth of God, its influence affects us. It elevates us and removes from us every imperfection and sin, of whatever nature. Thus we are prepared to see the King in His beauty and finally to unite with the pure and heavenly angels in the kingdom of glory. It is here that this work is to be accomplished for us, here that our bodies and spirits are to be fitted for immortality.

Remember, we are judged by our works, we are saved by grace. May we today be reminded of the good news of the judgment?
