A Printer That Changed Lives | Desert Tree Ministry in Chad - When Jonathan Dietrich arrived in Chad as a missionary pilot, he had no idea God would use him to plant a life-changing ministry. Starting under a mango tree with a single solar-powered printer, Desert Tree Ministry is now bringing hope and the gospel to hundreds of language groups through translation, printing, and audio Bibles. In this inspiring interview, Jonathan shares how faith, perseverance, and simple obedience turned a small beginning into a thriving mission that reaches across Africa. My Sincere Thanks And Gratitude to the Greeneville SDA Church and Community Center for the love and support I and my family felt this past weekend during our celebration of the passing of my father, Malcolm. Thanks especially to the Bereavement Committee who prepared the delicious lasagne, salad and cookies! We enjoyed several meals as a result. I was so pleased to see so many folks, especially from the Community Center, join us on Sabbath afternoon at the funeral home. Thank you again for all the love and support of my father and mother, Malcolm and Joelene, for so many years. May God continue to bless the entire community! Deborah Thurlow, daughter, and family.
